

Local Councils, Internal Drainage Boards and other Smaller Authorities in England

Annual return for the year ended 31 March 2016

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices summarising its activities. In this annual return the term 'smaller authority'* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

The annual return on pages 2 to 4 is made up of three sections:

- Sections 1 and 2 are completed by the smaller authority. Smaller authorities must approve Section 1 before Section 2.
- Section 3 is completed by the external auditor.

In addition, the **internal audit report** is completed by the smaller authority's internal audit provider.

Each smaller authority must approve Sections 1 and 2 of this annual return no later than 30 June 2016.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2016, an explanation of any significant year on year variances in the accounting statements, **your notification of the commencement date of the period for the exercise of public rights** and any additional information requested, to your external auditor by the due date.

Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication or public display of Sections 1, 2 and 3. You must publish or display the annual return, including the external auditor's report, by 30 September 2016.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guides that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk or from www.ada.org.uk

Guidance notes on completing the 2015/16 annual return

1. You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unapproved or unexplained amendments will be returned and may incur additional costs. **Smaller authorities must approve the annual governance statement before approving the accounts.**
3. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to review the annual return for completeness before sending it to the external auditor.
4. Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
5. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (**Section 2 on page 3**). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
6. Explain fully significant variances in the accounting statements on **page 3**. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
7. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge. **From 2016 onwards, you must inform the auditor of the date set for the commencement of the period for the exercise of public rights.**
8. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2015) equals the balance brought forward in the current year (Box 1 of 2016).
9. Do not complete Section 3 which is reserved for the external auditor.

DUMMER PARISH COUNCIL

SECTION 4 - ANNUAL REPORT BY INTERNAL AUDITOR

I provided an internal audit service to Dummer Parish Council for the financial year ended 31 March 2016 and, acting independently, I examined the system of internal control by undertaking the following tests and reported any findings to the Council: **PLEASE REPORT THE ITEMS IN BOLD BELOW TO THE PARISH COUNCIL AS RECOMMENDATIONS FOR ACTION**

	Test done*	Comment
• Checking that books of account have been properly kept throughout the year	Yes	Cashbook checked against 6 randomly selected payments – all approvals and payments correct
• Checking a sample of payments to ensure that the Council's financial regulations have been met, payments are supported by invoices, expenditures approved and VAT is correctly accounted for	Yes	6 sample payments and receipts checked against reports to Council, invoices (where applicable), and bank payments. Clerk continues as RFO but no record of approval. This must be approved each year and recorded in the minutes. One VAT reclaim submitted and checked.
• Reviewing the Council's risk assessment and ensuring that adequate arrangements are in place to manage all identified risks	Yes	Risk assessment of all assets carried out and reported. Risk assessment carried out and adopted May 2015.
• Verifying that the annual precept request is the result of a proper process; that budget progress has been regularly monitored and that the council's reserves are appropriate. Checking income records to ensure that the correct price has been charged, income has been received, recorded and promptly banked and VAT is correctly accounted for	Yes	Precept and Budget reported and approved 18 Jan 2015. Expenditure against budget regularly reported. Income properly recorded and banked.
Reviewing petty cash records to ensure payments are supported by receipts, expenditure is approved and VAT is correctly accounted for	Yes	No payments in cash. No petty cash. No cash receipts other than tennis club account which is administered by the Council.
• Checking that salaries to employees have been paid in accordance with Council approvals and that PAYE and NI requirements have been properly applied	Yes	Salary approved by Council 18 Jan 2016. PAYE deductions made. Although this is correctly recorded as a Confidential Item, the fact that it is a confidential item should be recorded in the publicly available minutes so that any member of the public is able to request disclosure if a sufficient and proper justification is made.
• Checking the accuracy of the asset and investment register	Yes	Asset register approve March 2016 with dates and values. The Tennis Court fencing should be added as a separate line item.
• Testing the accuracy and timeliness of periodic and year-end bank account reconciliations	Yes	All bank reconciliations checked and accurate.
• Year-end testing on the accuracy and completeness of the financial statements	Yes	Year end accounts checked on I&E basis.
• (Optional) In addition to the above, I carried out the following relevant testing during the year which has been reported to the Council (use separate sheet if necessary):	Yes	1. I recommend that there should be a second payment signatory from amongst the Parish Council members other than just the Chairman. 2. I recommend that at least one of the four bank accounts should be consolidated during FY 2016-17.

Note : Items in bold in "Comments" – improvements to be implemented in 2016/17

On the basis of my examination, which is limited to the tests indicated above, in my view the Council's system of internal controls is in place, adequate for the purpose intended, and effective, and, where appropriate, I have made recommendations to the Council.
